Product	Description	Coupling type & size	Typical Application	Picture
20mm Brass Nozzle with extender	Selectable flow pattern discharge nozzle for Low Pressure application	25mm Geka	Low Pressure Skid Unit / Bakkie Sakkie with 20mm hose	
25mm Brass Nozzle with extender	Selectable flow pattern discharge nozzle for Low Pressure application	25mm Geka	Fire Truck Hose reel with 25mm rubber hose	
G20 High Pressure	Pistol Grip High Pressure discharge nozzle - Aluminum	10mm / 13mm Hydraulic Male	High Pressure Skid Unit / Bakkie Sakkie
